The pornography industry is larger than the revenues of the top technology companies combined: Microsoft, Google, Amazon, eBay, Yahoo!, Apple, Netflix and EarthLink

US porn revenue exceeds the combined revenues of Football, Baseball and Basketball

US porn revenue exceeds the combined revenues of ABC, CBS, and NBC

“Standing before the computer watching too many hot videos, too many porn movies, too many porn images, different sites, different ways, all lead to one way, all lead to the great disaster, I'm completely done, chains everywhere wrapping my soul, every time I use to say it is the last! and nothing happens, I became deeply numb....!”

“I believe that I am now walking in the morning light, with my back to the darkness. God has surrounded me with Christian friends and family, and numerous opportunities to grow my relationship with Him. This is where I have longed to be since I was a teen, but didn't really know it. Thank God for His forgiveness, mercy, and grace.”

Some facts of pornography

- ***What are we watching?***

- An entire porn career last less than one year approximately.
- Most women are interchangeable in the industry during “anthology movies”
- There is an expanding market for degradation porn.
- Porn of all kinds is free
- About 90% of scenes in top-selling pornography contains at least one act of physical aggression.

“If we live to gratify the flesh, we will die. I remember times when I felt like I needed to give in to the temptation so that it would go away. No matter how many times I gave in, it never did go away for long.”
